THREE MONTHS FOR ONLY \$450 (TOTAL)

GREEN MAGAZINE'S DIGITAL SPONSORSHIP PROGRAM

ONLINE SPONSORSHIPS put your business information out to John Deere enthusiasts using Facebook, visiting the Green Magazine website and those receiving our three times a week emails.

Your Sponsorship Advertisement would be one of **ONLY TEN AVAILABLE** to be seen in our emails. The email would include your ad as a "Brought to you by" sponsorship. Right now, our growing list includes 3,700 addresses and it's gaining daily.

Also, your ad will be included as a Facebook post, viewed by 26,000 followers!

Your sponsorship advertisement will also be seen on every page of our website by those visiting to read our various articles or shop on our site!

We draw people to your advertisement with our emails and also our posts on other Facebook pages to draw enthusiasts to our website!

ALSO! Your business will also be highlighted in a Facebook media post once per quarter at no extra cost!

For the low price of \$150/month, we are offering you this opportunity to have your business placed in front of the digital John Deere enthusiast community we are building!

We are offering three-month sponsorships for a total of \$450 at this discounted price and limiting the number of sponsorships to **JUST TEN!**

Our **TEN SPONSORS** would divide places of three advertising locations on our emails and website, rotating evenly between all sponsors!

Examples of the two optional sizes for your sponsorship ad are shown on this page: the 728x90 leaderboard is shown at the top of this page while the 300x250 rectangle is shown at left.
